

The Clover family

We understand that one size doesn't fit all. That's why Clover offers solutions designed to complement the unique needs of your business and customers.

Clover Mini

Get full-scale point-of-sale functionality in a sleek and compact countertop terminal. Optional accessories include bar code scanner, cash drawer and swivel stand.

Visit firstdata.com/mini to learn more.

Clover Flex

An all-in-one POS solution with the built-in capabilities to help you serve your customers better – whether at the counter, in line, at the table or on the go.

Visit firstdata.com/flex to learn more.

Additional offerings

Clover Capital

It's easier than ever to get the cash you need to build your business. Our Clover Capital program helps you turn your future credit card sales into working capital.

Run your business
better.

Clover solutions

An all-in-one management system designed to help you take care of business, Clover offers options that allow you to rightsize your business solutions – and get more done than ever before.

Do more:

Small but powerful
Flex and Mini are small enough to fit into any space, but pack plenty of POS power to run your full house, front to back.

Future-proof your business
Flex and Mini can be as minimal or full-featured as you want them to be. And they will always grow and scale with your business.

Stay on top of your numbers
Track sales as they come in, wherever you are. Log in any time for information at a glance, from hourly sales and top-selling items to refund and discount volume.

Essential apps for every business

The Clover App Market lets you customize your Clover Mini with do-it-all apps for accounting, inventory, marketing, gift cards and whatever else your business needs. Get started with:

Register
Take orders, add or remove items, and accept payments.

Orders
Look up orders and do more with them such as take payments or issue refunds.

Customers
View customer information, transaction history and marketing preferences.

Time Clock
Manage employee schedules, overtime, timesheets, payroll exports and much more.

Customer Connect (DriveCX)
Get customer feedback at the point of payment. Increase return visits with “come back soon” offers.

Digital Loyalty
Drive increased customer spend and repeat visits. Send blast marketing messages through SMS, email or push to influence more sales.

QuickBooks by Commerce Sync
Integrate daily sales information directly into Quickbooks.

Everything you need at your fingertips

Take payments at your payment counter, on a patio or on the road using Ethernet, Wi-Fi or LTE

Accept all payment types including ApplePay® and Alipay®

Add your logo, website or even a custom message to your terminal receipt.

Print, email or text receipts to customers

Manage tips, tabs and authorizations

Keep inventory organized and accessible with categories and labels

Apply discounts

Set optional employee permissions

Collect and manage customer contact information and marketing preferences, so you can better engage on their terms
